

Dear Parishioners,

October 2020 will be the beginning of a new format for religious education. We will be offering an online program through a reputable company "Catholicism Class". They have an overview and short video that explains the format of the lessons at the following: <https://www.catechismclass.com/about.php>

Please do not register for any classes directly with them. We have purchased the parish package in which we will be able to monitor the progress of each student and assist as needed for a successful completion of the program. You will be required to register, provide copies of any sacraments previously received and there is a registration cost for the program. In previous years the cost to the parent has been \$35.00 dollars per year for a total of \$70.00 dollars for the 2 year program. Please see the costs below- for the Youth Program the cost of the online program is \$49.94. The youth are required to complete the online course as well as an 8 month ministry participation (September - May) once the COVID19 social distancing is no longer required. Should social distancing still be a requirement in a year from October 2020 we will re-evaluate how they can fulfill this requirement. Note: *When referring to a year we follow a school year: August thru May.*

Estimados feligreses,

Octubre de 2020 será el comienzo de un nuevo formato para la educación religiosa. Vamos a ofrecer un programa en línea a través de una empresa de renombre "Clase de catolicismo". Tienen una descripción general y un video corto que explica el formato de las lecciones en lo siguiente: <https://www.catechismclass.com/about.php>

No se registre para ninguna clase directamente con ellos. Hemos comprado el paquete parroquial en el que podremos monitorear el progreso de cada estudiante y ayudarlo según sea necesario para completar con éxito el programa. Se le solicitará que se registre, proporcione copias de los sacramentos recibidos previamente y hay un costo de registro para el programa. En años anteriores, el costo para los padres ha sido de \$ 35.00 dólares por año para un total de \$ 70.00 dólares para el programa de 2 años. Consulte los costos a continuación: para el Programa para jóvenes, el costo del programa en línea es de \$ 49.94. Se requiere que los jóvenes completen el curso en línea, así como una participación ministerial de 8 meses (septiembre - mayo) una vez que ya no se requiera el distanciamiento social COVID19. Si el distanciamiento social sigue siendo un requisito en un año a partir de octubre de 2020, evaluaremos cómo pueden cumplir este requisito. Nota: *Cuando nos referimos a un año, seguimos un año escolar: de agosto a mayo.*
