St. Patrick Parish -- both St. Patrick Church and St. Michael Mission -- has been blessed over the years with many "visitors" who regularly attend our liturgies and generously contribute to our offertory collections, but are not officially registered as members of our parish. Often this has happened because a family was registered with the parish many years ago, but as the children became adults, they did not register under their own name. The parish office is working hard to have a current accounting of the families we serve. Please complete and return this form, even if you may have been registered with the parish for many years. A person 18 years old or older should register under their own name.

THIS INFORMATION MAY ALSO BE SUBMITTED ON OUR WEBSITE, WWW.STPATSBISBEE.COM

The Gospel of St. Luke tells us that Joseph took his family to Bethlehem to be counted. You are encouraged to be counted as one of the parishioners of St. Patrick Parish.

Why should I be a registered parishioner?

- It is important to our parish and our diocese to have an accurate accounting of the families we serve. Registered parishioners receive information via our newsletter and other mailings.
- If a person requests a letter of approval from the parish to be a sponsor or a godparent for someone receiving a sacrament, he must be registered as a member of the parish.
- There are parishioner/non-parishioner fee considerations for families requesting a sacrament, funerals, quinceañeras, or requesting use of a parish facility.
